# GOOD FOOD MATTERS

There are restaurants, and then there's Lake House. With almost every national gastronomy award under its belt, this culinary destination is *"the icon that others look to for inspiration"*.

Celebrated for its championing of great Australian producers, much is sourced from local suppliers and Lake House's own Dairy Flat Farm.

Menus nod to Mother Nature's seasons rather than a calendar and as a result create a true snapshot on the plate. Dishes are refined and elegant but above all else, delicious! They are curated depending on the style of event; a more family style shared feast, an elegant chefs tasting menu or casual lunch.

*“What matters here is space,  
fresh air and sunlight, elements in  
abundance that encourage vitality  
and health in ways that many  
could only dream.”*

# THE CELLAR

Let us organise an intimate dinner with your loved ones in our romantic and moody cellar, which houses much of the wine from our award-winning list.

A custom-made American Oak table is the centrepiece to gather around; its patina already tells of many happy parties and special occasions.

For private celebrations the cellar is lit with the warm glow of candles.

Guests are encouraged to dress for the occasion; although local alpaca cashmere throws are provided and add to the atmosphere of a working cellar.

We love this space for a pre-wedding family dinner, anniversary or a birthday gathering.

*Up to 14 guests seated.*

*“The benchmark for regional dining that’s incredibly and memorably spot on.”*

# THE WATERFRONT PAVILION

The Waterfront Pavilion offers the perfect venue for winter ceremonies, extended family dinners or pre-dinner drinks with breathtaking views over the glistening lake.

The interior style is one of sophisticated country charm with white panelled bookshelves, recycled timber tables, touches of aged brass and whimsical white floating pendants.

A beautiful staircase takes your celebration outdoors to the lagoon foreshore. An open fire pit is available to ward off autumnal and winter chills while the long ago planted Yunnan poplars provide shade from hot afternoon sunshine.

For a special touch a personalised Gin, Champagne or Cocktail Bar is set up to entertain your guests on arrival, or alternatively, a Whiskey and Cognac Station for post dinner drinks and cigars is also available.

*Up to 40 guests seated.*

# THE TERRACE ROOM

Feast, dine, dance and celebrate ...

This dramatic architecturally designed space features soaring ceilings, luxe chandeliers, picturesque garden views with water features, stone fireplace and private bar.

The ultimate canvas to showcase your personal style, this room transforms with abundant flowers, the soft glow of candles, music and more to be the perfect backdrop to your wedding reception. The outdoor terrace amongst roses and purple wisteria is a perfect place to enjoy celebratory drinks.

A game of bocce on the lawn provides a little light hearted competition, whilst an alfresco bar gets everyone in the mood. Alternatively, a beautiful winter ceremony in front of the stone fireplace offers a glorious place to cocoon with your guests.

*Up to 130 guests seated.*
